PAVILION **6**
WWW.CBC-SPB.COM/EN

Chinese Business Centre is a platform for effective interaction between representatives of business and authorities from Russia and China. The Centre offers companies from China to present their production to Russian audience, open a branch department and take part in regular events. For Russian companies it is an opportunity to build direct connections with suppliers from China, to find new partners and investors, as well as to have a guaranteed reliability of suppliers presented in the Centre.

The work of the Import Substitution and Localisation Centre is aimed at promoting Russian manufacturers and forming new sales markets for their products. The overall objective is to encourage a reduction in the share of imported equipment, components and technologies across a range of industrial sectors. Pavilion 4 at Lenexpo features a permanently-operating exhibition exposition of industrial products and technologies, as well as conference halls, a business-contact exchange, and meeting rooms.
